

# Resident Networking Event 2020

- Study materials and  
workshops -

# Finding the right study materials

- Different online platforms
  - e.g. FUN-MOOC, FAO e-learning center etc.
- Looking online for summer or winter schools
- Single courses in Master programs
- **List online**
- Slack Platform
- ▶ <https://ecvph.org/residency-and-training>

# Finding the right study materials

- ▶ For example: Coursera
- Course: Coursename
- Offered by: University or Institutions
- **Different Sub-clusters...**
  
- **„Just one tip: Collect every course/ conference you make directly in you curriculum or seperate page.“**

# Workshops

- Can also be organised by residents
- Financial support by the college
- **Required information:**
  - ▶ A concise title.
  - ▶ The names and affiliations of the organizers.
  - ▶ Details regarding the date, place and expected number of participants.
  - ▶ A statement detailing how relevant this topic is to the Residents and how it relates to the ECVPH curriculum.
  - ▶ A two-paragraph description of the workshop topic and themes.
  - ▶ A short biography of the workshop organizers, including a description of their qualifications relative to the topic area.

# Project opportunity

- Cost-Action Project of Luis Pedro Calmo
- „The resident(s) would be able to participate in a training school on the GRADE methodology (in Milan, Feb. 2021), be part of the ENOVAT network and conduct a systematic review..... The work of the guidelines drafting groups start now and is expected to be terminated in the spring of 2022. “
- At the moment 1 place available in a post-weaning diarrhea topic

# Discussion

Does anyone know of courses/workshops that are planned for the near future and are open to residents?
